

DESCRIPTION

An effective, highly-concentrated, powerful cleaner designed to remove yellow stains from natural stone for floor, cladding & wall applications. Safely removes stain from the stone and prevents future yellow stain development.

APPLICATION AREAS

All-natural stone (such as granite, limestone, marble, slate and travertine), ceramic and porcelain tiles.

FEATURES & BENEFITS

- Removes yellow stain discoloration from natural stones
- Reduce future yellow stain development
- Suitable for use internally and externally
- Nontoxic formula
- Safe to use

TECHNICAL DATA

Form	Powder
Color	Off-white
Odor	Pungent
pH	Alkaline

METHOD OF APPLICATION

Use chemical resistant gloves and face masks when handling product

Always test first in a small area to confirm desired results.

1. Sweep or dust the surface to be cleaned
2. Mix powder with water to make it paste consistency and apply directly on the stained area. Seal the area by plastic sheet and masking tape.
3. Allow the product to stand for approx. 6 to 8 hours before wiping using a soft clean towel or microfiber cloth.

4. Cleaning may require scrubbing with a scrub brush. Then rinse the area thoroughly with plenty of water.
5. Repeat if necessary for heavily stained areas.

PACKAGING

2 kg powder

APPROXIMATE COVERAGE

2 m²

Note: Coverage will vary depending on the density, porosity and texture of the surface; the application method and the stain intensity.

STORAGE & HANDLING INSTRUCTIONS

- Shelf life up to 12 months
- Store in original container only. Close container tightly after each use
- Store below 25°C. Do not allow to freeze
- Avoid exposure to direct sunlight
- Store in areas inaccessible to children
- Do not reuse empty container, wrap and discard in trash or recycle.

LIMITATIONS TO THE PRODUCT

- Do not allow product to come in contact with any non-recommended surfaces.
- Not recommended for use on vinyl or linoleum surfaces
- Do not mix with other cleaners

HEALTH & SAFETY PRECAUTIONS

HARMFUL IF SWALLOWED. MAY CAUSE EYE, SKIN AND RESPIRATORY IRRITATION. Do not ingest. Avoid contact with eyes and skin. Avoid prolonged exposure to vapors. Use protective eyewear and chemical resistant gloves when handling product.

TECHNICAL SERVICE

Application of YELLOW STAIN REMOVER should be done according to the procedure mentioned in this technical data sheet. IKAN INC will not be held responsible for any claim arising out of non-performance of the product due to incorrect application procedure or usage of product for non-recommended purpose. Please contact IKAN INC technical team for more details on application of YELLOW STAIN REMOVER for any purpose other than mentioned above.
