

DESCRIPTION

An effective, highly-concentrated, powerful cleaner designed to remove grout & cement residue stains. Safely removes epoxy stain, grease and other every day messes on natural stone & tile.

APPLICATION AREAS

All-natural stone (such as granite, limestone, marble, slate and travertine), ceramic, porcelain, grout, concrete, pavers, quarry and masonry surfaces.

FEATURES & BENEFITS

- Excellent for pre-handover cleaning
- Removes grout & cement residue
- Removes epoxy stain, grease, food stain & other organic material stain
- Suitable for exterior & interior use
- Low VOC
- Safe for regular use

TECHNICAL DATA

Form	Liquid
Color	Clear liquid
Odor	Slight
pH	Acidic

METHOD OF APPLICATION

Use chemical resistant gloves when handling product

Always test first in a small area to confirm desired results.

1. Sweep, vacuum or dust the surface to be cleaned
2. Spray directly on the area to be cleaned
3. Wipe using a soft clean towel or microfiber cloth. In the case of tough dirt, allow the product to stand for several minutes before wiping
4. Cleaning may require scrubbing with a scrub brush or machine. Then rinse the area thoroughly with plenty of water.
5. Repeat if necessary for heavily soiled areas.

PACKAGING

3.75 kg

STORAGE & HANDLING

- Shelf life up to 12 months
- Store in original container only. Close container tightly after each use
- Store below 25°C. Do not allow to freeze
- Avoid exposure to direct sunlight
- Store in areas inaccessible to small children
- Do not reuse empty container, wrap and discard in trash or recycle.

LIMITATIONS TO THE PRODUCT

- Do not allow product to come in contact with any non-recommended surfaces.
- Not recommended for use on vinyl or linoleum surfaces
- Do not mix with other cleaners

HEALTH & SAFETY PRECAUTIONS

HARMFUL IF SWALLOWED. MAY CAUSE EYE, SKIN AND RESPIRATORY IRRITATION. Do not ingest. Avoid contact with eyes and skin. Avoid prolonged exposure to vapors. Use protective eyewear and chemical resistant gloves when handling product.

TECHNICAL SERVICE

Application of DEEP KLEEN should be done according to the procedure mentioned in this technical data sheet. IKAN INC will not be held responsible for any claim arising out of non-performance of the product due to incorrect application procedure or usage of product for non-recommended purpose. Please contact IKAN INC technical team for more details on application of DEEP KLEEN for any purpose other than mentioned above.
